Worksite & Group Vaccination Clinics Available

In partnership with the Governor's Office, the Guam National Guard (GUNG) is ready to mobilize onsite vaccination clinics for interested parties. Similar to the vaccination outreach held at the Port Authority of Guam on June 2, the GUNG can administer the COVID-19 vaccine at worksites or for large groups of at least 50 people. For more information, call 682-2172.

COVID-19 Vaccination Verification

In line with [DPHSS Guidance Memo 2020-11 REV 11](#), the University of Guam (UOG) Call Center is assisting DPHSS with requests for vaccine verification. From 9 a.m. to 3 p.m. on weekdays, individuals who received the COVID-19 vaccine on Guam may request their secondary form of vaccination verification by calling the following numbers:

- (671) 688-2115
- (671) 686-5420
- (671) 787-3758
- (671) 687-1531
- (671) 688-4197

Individuals who were vaccinated on Guam will not be mandated to present vaccination verification upon arrival to the A.B. Won Pat International Airport Authority. This service, however, will be made available to the community in the event the traveler needs it for entry into other jurisdictions. Availing of the vaccination verification documentation may also streamline the arrival process for passengers seeking entry into Guam.
